Trojan

Heavy Duty Cleaner, Degreaser & Sanitiser

TROJAN is a heavy duty liquid detergent. TROJAN is a blend of non-ionic surfactants, solvents, inorganic water conditioning agents and soil anti-deposition agents.

Application:

TROJAN has been formulated to quickly remove grease, fat, dirt, protein and oil from a variety of surfaces. TROJAN is particularly effective on food plants and kitchens when used as directed.

Direction for use:

General cleaning of floors and other washable surfaces, dilute Trojan according to soil levels.

Light Soil - 1:80 with cool water.

Normal Soil - 1:40 with warm water.

Heavy Soil - 1:20 with warm to hot water.

1. Apply cleaning solutions via mop or through an automatic scrubbing machine.
2. Agitate cleaning solution then wipe off or rinse surface with clean water if required.
3. Rinse well with warm water..

Features & Benefits

- Effective in hard and soft water.
- Particularly effective in the removal of heavy soil deposits found in kitchens & food plants.
- Free rinsing to ensure a nonslip finish.
- Economical fast spray-on, wipe-off application.
- Versatile in use as manual, spray or mechanical applications can be used.
